

44th Annual Illinois Young Authors' Conference
Normal West High School
Normal, Illinois
Saturday, May 19, 2018

RESERVATION FORM

We have lost funding from the state for the Conference. We need to have confirmed reservation numbers from each school district and/or individual school to insure that we can financially sponsor the conference this year. We are asking you to confirm your reservation by January 31, 2018. You will not need to send in final registrations at that time; however we are assuming you are committing to that number of registrations so that we can make our final arrangements for the conference.
