

**May 16, 2017**

**Engaging, Leveled Literacy Centers for English Language Arts in All Contents**

Literacy Centers are not just reading centers. Literacy Centers are used for authentic practice of concepts that students are learning about. A well prepared center should be leveled for different learners and engaging with authentic tasks. Creating a center for your classroom would include centers that help students who need extra time or extra support. Come and explore some ideas for centers in your room for the next school year!

**THE MACON COUNTY  
READING COUNCIL  
PRESENTS:**

**Engaging, Leveled Literacy  
Centers for English  
Language Arts in All Contents**
