2020-2021 BARACK OBAMA LIBRARY AWARD

Do you know a teacher of 5th-8th grade students who could make good use of a classroom library?

The Illinois Reading Council is honored to invite you to submit a nomination for the Barack Obama Library Award. This award is a classroom library, valued at \$1000, which was created in 2006 through a generous gift to the Illinois Reading Council from (then) Senator Obama. He granted a generous gift to the Illinois Reading Council to support teachers with this award and continues to contribute annually. This collection is comprised of carefully selected literature that is culturally relevant for readers of color and targets students in the middle-school (5th-8th) grade range. Would you please help us identify a worthy recipient?

You are especially qualified to make a nomination if:

- You teach or reside in **Illinois**, and
- **You are a member in good standing of the Illinois Reading Council.** (You do not need to be a teacher of middle-grade students to make this nomination, AND self-nominations are permitted and encouraged. However, IRC members may nominate only one teacher per year.)

By completing a nomination you will be:

- serving the Illinois Reading Council,
- helping a teacher bring culturally relevant literature to his or her students, and
- assisting the IRC in responding to Senator Obama's challenge to "get more kids reading."

Submit a nomination by completing the nomination form by November 1, 2021. If you have any questions about eligibility, the award, or how to complete the nomination, please call Julie Hoffman at 815-878-6186 or e-mail prayingaround@sbcglobal.net.

Thank you in advance for helping the Illinois Reading Council with this Obama Library award. Together we are doing something important for Illinois teachers and their young readers.
