Where

260 North Wabash Avenue Bradley, IL

More information

Presented by: Tricia Nagel and Christine Throop

Audience: Pre-K to 8th grade educators and parents

In this workshop, educators and parents will learn easy ways to incorporate STEAM into the classroom and home! STEAM is an acronym for Science, Technology, Engineering, Art and Math education. Learn how to focus on these areas together not only because the skills and knowledge in each discipline are essential for student success, but also because these fields are deeply intertwined in the real world and in how students learn most effectively.
