## THE ILLINOIS READING CONFERENCE

This past week many of you were able to take part in the Illinois Reading Conference in Peoria, IL. This conference was a huge success and the new location made things fun and unique. There were many inspiring presentations and some phenomenal authors were available to listen to. If you have never joined us at the Conference it is a great professional development event and we highly recommend you join us.

While at the Conference, Will County Reading Council along with many other Councils had a board on display explaining all the activities we do. Our board received 3rd place! This is amazing!

As always, we look forward to collaborating with you in the future. Hope to see you on October 14, 2015.
