Illinois Reading Council International Project

Help a fellow teacher in Guatemala attend a Professional Literacy Conference!

The IRC International Projects Committee has set up a “*Support a Guatemalan Teacher Conference Fund*” to help Guatemalan teachers be able to register and attend their bi-annual Reading Conference.

The next conference will be held in Antigua, Guatemala in February. If your local or special interest Council would like to help with this project, you can send a check for \$50, \$100, or any amount you choose to IRC. (*The registration fee for attending the Conference is approximately \$50 per teacher.*)

Your check should be made payable to **Illinois Reading Council – Guatemalan Teacher Fund**. The goal would be to accumulate an amount of money that could then be sent—the check will actually be hand-delivered—to the Consejo de Lectura de Guatemala, the Guatemalan Reading Council. Your money/donation would be used to support Guatemalan teachers who need financial assistance in paying their registration for the conference. The number of teachers who receive this support would depend on the amount of donations we receive.

Our goal for this project is to support 20 to 25 teachers in attending the Conference! Thank you for your support!
